

# Recording Classes

Babson College prohibits the use of recording devices to record class lectures or discussions unless a student has received the prior written approval of the professor, lecturer, guest lecturer, or speaker or has received prior written approval from Accessibility Services. The recording may not be accessed or used by any other individual. The recording may not be reproduced, transcribed, distributed, publicly played, or transmitted without the prior written approval of the professor, lecturer, guest lecturer, or speaker. In accordance with the above policy, all students should be aware that any class, including class discussions, may be subject to recording.

Additional information, as well as policies and procedures, can be found on the BabsonHub, or by emailing the Accessibility office or by calling 781-239-4075.
